Re: FOIA # 25-133

Dear REDACTED,

This letter is a response to your appeal of the denial of your Freedom of Information Act (FOIA) request #25-133. Your request was initially denied because the response excluded records that the Delta County FOIA Coordinator determined were deemed to not exist.

Your appeal was received at a regularly scheduled meeting of the Delta County Board of Commissioners on August 5, 2025. The Board determined to uphold the disclosure denial at the special meeting on August 18, 2025.

Sincerely,

[signature]
John Malnar, Chair
Delta County Board of Commissioners

What the letter does not address. The office produced one annual screening table and withheld the monthly counts, quoting $2,815.20 with a $1,407.60 deposit. The Board's letter does not mention the table that was produced, the monthly counts that were withheld, the fee estimate, the deposit, or the offer to inspect records in person. Its only stated reason is that the coordinator determined the records “were deemed to not exist” — a position difficult to reconcile with a response that attached an annual version of the same data and priced the underlying extract. The letter records no vote count and cites no agenda item.
