Your requests are denied as the records do not exist for the “total number of criminal cases dismissed by the Delta County Prosecutor's Office for the calendar year January 1, 2024 through December 31, 2024, broken down by: Felony cases dismissed; Misdemeanor cases dismissed.”

The undersigned hereby certifies that, after a search for records and to the best of the undersigned's knowledge and belief, the public records requested do not exist within the records of the public body under the name nor any other name reasonably known to the public body.

If you disagree with this decision, you may submit an appeal to the chairperson of the Delta County Board of Commissioners, or seek judicial review in the Delta County Circuit Court. If you prevail in Circuit Court, you may be entitled to receive attorney fees, costs, and disbursements as well as actual or compensatory damages, and punitive damages of $1,000.00.

I have also included the website utilized to find Freedom of Information Act (FOIA) Written Policies, Guidelines, and Forms as well as the FOIA Appeal Form.

Note on this transcription. This is the complete text of the two-page response letter. The letter quotes the request, denies it in full, and contains a certificate of nonexistence in the statutory language. It identifies no statutory exemption, quotes no fee, produces no record, and offers no inspection. The requester's name and address have been removed from this public copy; the county's own staff names are retained because they are public officials acting in an official capacity.
