Notice to Extend Response Time for FOIA Request

Michigan Freedom of Information Act, Public Act 442 of 1976, MCL 15.231, *et seq.*

Request No.: 25-135 **Date Received:** June 27, 2025

Check if received via: Fax

Name: NAME REDACTED

State: REDACTED **City / Zip / Phone / Email:** REDACTED

Request for: ☑ Copy

Delivery Method: ☑ Email to address above

We are extending the date to respond to your FOIA request for no more than 10 business days, until handwritten entry — not legible in the released copy (month, day, year).

Only one extension may be taken per FOIA request. If you have any questions regarding this extension, contact 906-789-5100.

Estimated Time Frame to Provide Records: handwritten entry — not legible in the released copy (days or date).

The time frame estimate is nonbinding upon the County, but the County is providing the estimate in good faith. Providing an estimated time frame does not relieve the public body from any of the other requirements of the act.

Reason for Extension

☑ **1. The County needs to search for, collect, or appropriately examine or review a voluminous amount of separate and distinct public records pursuant to your request. Specifically, the County must:** blank on the form.

☐ **2.** The County needs to collect the requested public records from numerous field offices, facilities, or other establishments that are located apart from the County office. Specifically, the County must coordinate documents from the following locations: _____.

☐ **3. Other (describe):** _____.

Signature of FOIA Coordinator: signed **Date:** July 2025

Note on this transcription. The form's typed entries identify the request number and the requester, and reason box 1 is checked — the "voluminous amount of separate and distinct public records" ground. The line that is supposed to say specifically what the County must do to satisfy that ground is blank. The extended response date and the estimated time frame are handwritten. In the copy released to the public those two handwritten entries are not reliably legible, and this transcription does not guess at them. Reason boxes 2 and 3 are not checked.
