RE: Request for Records – Selected Correspondence To/From Prosecutor Lauren Wickman (2024)

Dear FOIA Coordinator:

Pursuant to the Michigan Freedom of Information Act, MCL 15.231 et seq., I request the following records:

All correspondence (including emails, letters, and text messages) sent to or from Prosecutor Lauren Wickman between January 1, 2024, and December 31, 2024, that meets at least one of the following criteria:

1. Involves communications with law enforcement agencies;
2. Involves communications with defense attorneys or other attorneys of record in criminal matters;
3. Involves communications with County Commissioners or other elected officials regarding prosecutorial operations, policy, or case status;
4. Involves communications with members of the media.

For email records, please include both the message content and any attachments. For text or instant messages, please include message content, date/time stamps, and sender/recipient identifiers.

If it would expedite processing, I will accept a list or log of responsive correspondence (including date, sender, recipient, and subject) prior to receiving the actual messages. This will allow me to narrow or refine the request if necessary.

Please produce the records electronically (PDF preferred) and send them to [redacted] proceeding.

If any portion of this request is denied, please cite the specific statutory exemption relied upon and provide the name/title of the person responsible for the denial, as required by MCL 15.235(5). Please release all reasonably segregable portions of otherwise exempt records.

Thank you for your attention to this request.

Sincerely,

[redacted]
