Re: FOIA Request #25-200

[redacted]

I acknowledge receipt of your Freedom of Information Act request dated August 18, 2025 received by the Delta County Prosecutor's Office on August 19, 2025 for the following documents:

> Pursuant to Michigan Freedom of Information Act, MCL 15.231 et seq., I am requesting the following public record:
>
> - The **names, vendors, and versions** of all case management systems, records management systems, prosecutorial tracking systems, electronic discovery platforms, digital evidence portals, and body-worn camera/evidence managements software used, formerly used, or planned for use by the Delta County Prosecutor's Office from **January 1, 2020 to the present.**

Your request for the above referenced records is **GRANTED**. In granting your request, please find the following records:

Delta County Prosecutor's Office utilizes ProsecutorbyKarpel as its primary case management system and record managements system. As of September 8, 2025, the version is 7.5.03.21.2025.

Delta County Prosecutor's Office also utilizes NextCloud but no "record" exists related to the use of that record management system as it is an open source file and sharing software.

Delta County Prosecutor's Office also accesses Motorola Video Manager (version 2025.7.23), administered by Escanaba Public Safety, but maintains no further information related to that system, as it is administered/maintained by Escanaba Public Safety Department.

Delta County Prosecutor's Office accesses "Watchguard Evidence Library" version 4.4.4 that is administered/maintained by Delta County Sheriff's Office.

310 LUDINGTON STREET, SUITE 237 ESCANABA MI 49829
(906)789-5115

Delta County Prosecutor's Offices accesses "Axon Evidence.com" which is administered/maintained by Hannahville Tribal Police. No version information is available to the Delta County Prosecutor's Office.

Delta County Prosecutor's Office accesses "Watch Guard Cloudshare" which is administered/maintained by Michigan State Police. No version information is available to the Delta County Prosecutor's Office.

The Delta County Prosecutor's Office previously utilized "Adult Case Tracking" and "Juvenile Case Tracking", until approximately June 10, 2024. This system was administered by the Prosecuting Attorney's Association of Michigan. Because it is no longer a system utilized, there is no access to determine the "version" last utilized.

If you disagree with this decision, you may submit an appeal to the chairperson of the Delta County Board of Commissioners, or seek judicial review in the Delta County Circuit Court. If you prevail in Circuit Court, you may be entitled to receive attorney fees, costs, and disbursements as well as actual or compensatory damages, and punitive damages of $1,000.00.

I have also included the website utilized to find Freedom of Information Act (FOIA) Written Policies, Guidelines, and Forms as well as the FOIA Appeal Form.

If you have any questions or concerns, please contact me.
