Subject: FOIA Request – Records Identifying Law Enforcement Officers with Sustained Credibility or Honesty Findings ("Brady/Giglio List")

Dear FOIA Coordinator,

Pursuant to Michigan's Freedom of Information Act, MCL 15.231 et seq., I respectfully request access to and copies of the following public records maintained by the Delta County Prosecutor's Office:

1. Any list, memorandum, database, record, spreadsheet, or communication maintained by your office identifying or referencing law enforcement officers (past or present) whose credibility, honesty, or integrity has been found to be compromised or who have been subject to disclosure obligations under *Brady v. Maryland* or *Giglio v. United States*.

2. Any written policy, memorandum, or procedure describing how the Delta County Prosecutor's Office tracks, evaluates, or discloses such officer credibility or impeachment information to defense counsel or the courts.

3. The date on which the most recent update to this list or record occurred.

This language frames it as a narrow, non-investigative record request.

For clarity: I am not requesting disclosure of any ongoing investigative materials, personnel files, or non-final internal deliberations. This request is limited to final or maintained records that identify officers who are known to have sustained findings or credibility issues relevant to Brady/Giglio disclosure obligations.

If any portion of the requested material is exempt under MCL 15.243, please redact only the exempt portions and release the remainder, as required under MCL 15.244(1).

If you claim any exemption, please provide a written denial specifying each exemption relied upon and describing the withheld material in sufficient detail to allow for review and appeal.

I request that records be provided electronically by email in PDF or text format, and that all copying and labor fees be waived under the public-interest provision of MCL 15.234(1), as the purpose of this request is to promote transparency and public understanding of prosecutorial disclosure practices, not for commercial use.

Please respond within the five (5) business days required by MCL 15.235(2), or issue a written extension under subsection (2)(d) if additional time is needed.

Thank you for your assistance and prompt attention.
