And to my understanding no other reports exist except the one you send me below, correct? Also, when I spoke to Deputy Lewis he stated he was paid for the time he was off but the letter says he was not, which one is correct? Thank you again for your help.

Thank you for getting back to me. So there is no other report or anything that exists about the situation except what you sent? I just need to check for my motion response. Thank you.

Hello,

I reached out to [redacted] about the text messages per the judges order. This is what she sent me today and this is how I remember the conversation when I met with her on her complaint. I will be bringing the file along with these messages to the Judge. Any questions just give me a call.
