1. Labor Cost to Locate:

This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in conjunction with receiving and fulfilling a granted written request. **This fee is being charged because failure to do so will result in unreasonably high costs to the County because of the nature of the request in this particular instance, specifically:** reviewing approximately 1000 cases/year (4 YEARS requested) to locate files/cases meeting criteria described.

Approximately 10 minutes per file

The County will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, regardless of whether that person is available or who actually performs the labor.

These costs will be estimated and charged in **15-minute time increments**; all partial time increments must be rounded down. *If the number of minutes is less than 15, there is no charge.*

The County will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.

This fee is being charged because failure to do so will result in unreasonably high costs to the County that are excessive and beyond the normal or usual amount for those services compared to the County's usual FOIA requests, because of the nature of the request in this particular instance, specifically: information of a personal nature that could clearly consitiute a violation of an individual's privacy (MCL 15.243(1)(a)). Will appear on all documents located. Approximately 4 minutes per file
